BOWLED, CAUGHT, L.B.W., HIT WICKET, STUMPED, count as Bowlers wickets and are entered in Bowling Analysis accordingly. **RUN OUT, HANDLED BALL, HIT BALL TWICE, OBSTRUCTING FIELD,** do NOT count as Bowlers wickets. Any runs completed before a batsman is RUN OUT count to the Striker and against the bowler.

NO BALLS:—If no run is scored from a No Ball, then 1 No Ball should be entered in both Batting and Bowling Extras and a dot with a circle round it in the Bowling analysis to show that the ball does not count in the over. Byes or Leg Byes resulting from a No Ball are entered as No Balls and the No Ball itself does not count, being entered in analysis as a dot with a circle round it. If runs are scored from the bat off a No Ball, they are credited to the Striker and count against the Bowler in his analysis being entered with a circle round the figure to show that the ball does not count in the over. **WIDES**:—A Wide is entered in both Batting and Bowling Extras, and in Bowling analysis with a cross to indicate that the ball does not count in the over. Byes or leg-byes resulting from a Wide Ball are scored as Wides and a cross entered in Analysis to show that the ball does not count in the over. If a Wide is hit, the Umpire should revoke his call of Wide. **BYES & LEG BYES**:—Entered in Batting Extras, and only the ball from which they result is recorded in the Bowling Analysis (with a dot).
