2	3	1	5	6	7	6	8	9				

BOWLED, CAUGHT, L.B.W., HIT WICKET, STUMPED, count as Bowlers wickets and are entered in Bowling Analysis accordingly. RUN OUT, HANDED BALL, HIT BALL TWICE, OBSTRUCTING FIELD, do NOT count as Bowlers wickets. Any runs completed before a batsman is RUN OUT count to the Striker and against the bowler.
 NO BALLS:—If no run is scored from a No Ball, then 1 No Ball should be entered in both Batting and Bowling Extras and a dot with a circle round it in the Bowling analysis to show that the ball does not count in the over. Byes or Leg Byes resulting from a No Ball are entered as No Balls and the No Ball itself does not count, being entered in analysis as a dot with a circle round it. If runs are scored from the bat off a No Ball, they are credited to the Striker and count against the Bowler in his analysis being entered with a circle round the figure to show that the ball does not count in the over. WIDES:—A Wide is entered in both Batting and Bowling Extras; and in Bowling analysis with a cross to indicate that the ball does not count in the over. Byes or leg-byes resulting from a Wide Ball are scored as Wides and a cross entered in Analysis to show that the ball does not count in the over. If a Wide is hit, the Umpire should revoke his call of Wide. BYES & LEG BYES:—Entered in Batting Extras, and only the ball from which they result is recorded in the Bowling Analysis (with a dot).
